

Inclusive Postsecondary Certificate Program
APPLY NOW FOR ADMISSION!

BRIDGE *to*
CAREER
in Human Services

Education, transition, and individual supports for students with developmental disabilities seeking a career as a **Direct Support Professional** working to support others with disabilities.

People with a sincere career goal to support people with disabilities and older people in community settings should apply for admission to the **Bridge to Career in Human Services**, a year-long inclusive certificate program.

Successful candidates will take one semester of required coursework, one semester in a paid, supervised practicum learning the skills which will prepare them to be **Direct Support Professionals**.

Additional resources available for qualifying students with developmental disabilities include:

- ◆ Summer pre-program training/prep
- ◆ Housing Assistance
- ◆ Transportation Assistance
- ◆ Tuition Assistance
- ◆ Employment Assistance
- ◆ Employment Counseling
- ◆ Lifestyle Management Training
- ◆ Educational Mentor/Support

For more information about the **Bridge to Career in Human Services** certificate program for students with developmental disabilities, contact the project coordinator.
